The Awards were presented by YBhg Datuk Dr Rebecca Fatima Sta Maria, Secretary General of Ministry of International Trade and Industry (MITI) at the CICM Responsible Care Awards 2010 presentation ceremony held this evening at the Renaissance Kuala Lumpur Hotel.

The Awards, which began in year 2002, was organised with the aim of honouring and recognising the efforts of Responsible Care signatory companies that have made the most progress in implementing the Responsible Care's Six Codes of Management Practices. The signatories were audited in two stages to determine their level of implementation of the Responsible Care Codes of Management Practices.

Responsible Care is the chemical industry's unique global initiative that drives continuous improvement of all aspects of safety, health and environmental performance, together with an open and transparent communication with stakeholders. Responsible Care was initiated in the mid-1980s in Canada and has since been adopted in 60 countries worldwide, including Malaysia. Responsible Care in Malaysia began in 1994 with 33 chemical companies pledging their commitment to the 10 Guiding Principles and the Six Codes of Management Practices. To date, 121 chemical companies in Malaysia are signatories to the Responsible Care initiative.
