

CICM RESPONSIBLE CARE AWARDS 2026

FMM/IG/CICM/2.2.8

March 17, 2026

Attn: CICM Members & Responsible Care Signatories

CICM Responsible Care Awards 2026

The Chemical Industries Council of Malaysia (CICM) is pleased to invite all CICM members and Responsible Care signatories to participate in the CICM Responsible Care Awards 2026. This will be the 17th Awards organized by the Council.

The CICM Responsible Care Awards is one of the flagship activities by the Council and introduced since 2002. Its objectives are to promote greater awareness and enhance the effectiveness of Responsible Care Programme and its principles, as well as to give recognition to those organizations that have made most progress in implementing the Responsible Care's Codes of Management Practices.

Submission of Entries

For the submission of the CICM Responsible Care Awards 2026 entries, we would like to draw your attention to the following:

- Responsible Care signatories and CICM members participating in the Awards will be required to download the application and relevant Awards forms from the Responsible Care section of the CICM website at <http://www.cicm.org.my>.
- Further information about the Awards is explained in the **General Information and Terms and Conditions of Participation** posted on the CICM website. This is to ensure all terms and conditions of participation are adhered to.
- **Submission of the Award Application Form and completed Responsible Care Assessment Checklist should be made in hard copies and in single-sided paper copy.** Supporting documents / evidence are to be submitted in **soft copies** (either in a USB drive or in a cloud drive). This reduces paper usage and supports our commitment to environmental protection.
- **Companies are reminded that their declaration in the Responsible Care Assessment Checklist will need to be supported by relevant documents / implementation evidence of the management practices.** For the Responsible Care Awards 2026, the period of assessment is from **January 2025 till December 2025.**
- **Prior to submission, companies are advised to check and ensure that the Responsible Care Assessment Checklist is fully completed.**
- As in the past, companies participating in the Awards are required to declare whether they have fatality cases and penalties imposed by the Government authorities (concerning safety, health and environment) during the period of assessment. Declaration will be based on plant site.
- The closing date for participation is **not later than May 15, 2026 (Friday).** ***Early submission is encouraged.***

- A participation fee of RM 300 per Code will be applicable to companies contesting under the Corporate Awards for the Codes of Management Practices. No fee will be charged for participation in the Special Award for SMEs. The participation fee is charged to defray administrative expenses incurred for both documentation and site assessments of the Awards.

Sponsorship Request

In line with your commitment to advancing HSE excellence across the industry, CICM invites members and Responsible Care signatories to lend their support by sponsoring the Awards. Enclosed with this letter are our sponsorship packages for consideration.
