OBJECTIVES

- To create awareness to SMEs on chemical risk in the event of incidents or accidents in their operations and also legislation and penalties governing occupational safety and health.
- To create awareness on the global chemical industry's voluntary initiative in the continuous improvement of health, safety and environmental performance through Responsible Care.
- To highlight importance of Malaysia Productivity Blueprint (MPB) and Productivity Performance through Productivity Toolkits.

WHO SHOULD ATTEND?

- MDs / CEOs / Senior Management / HSE Managers & Officers of SME companies in the various chemical sub-sectors (Oleochemicals, Oil&Gas, Petrochemicals, Plastics, Rubber, Agrochemicals, Cosmetics & Toiletries, Paint, Pharmaceuticals, Soap & Detergents, Fertilizers & Pesticides, etc.)
- Chemical Industry Association
